In re Johnson & Johnson Talcum Powder Marketing, Sales Practices and Products Liability Litigation – MDL No. 2738

Counsel:

This is a message from the Defense in the Talc litigation.

Per the Amended Plaintiff's Profile Form Order, entered on September 1, 2023, (Doc. No. 27291) your client was required to provide defendants with a Plaintiff Profile Form, medical records of any health care provider regarding treatment for ovarian cancer or gynecological disease alleged in the Complaint, and medical record authorizations, by the date provided for in the Amended Plaintiff Profile Form Order which corresponds with this matter.

To date, our records indicate the plaintiff has failed to provide defendants with a Plaintiff Profile Form. If we do not receive the outstanding discovery within the automatic 60-day extension provided for in the Court's Order of February 13, 2024 (Doc. No. 29032) after this case has been listed in a filing to the court, this matter will be subject to an Order to Show Cause why it should not be dismissed with prejudice.

Thank you for your anticipated cooperation in this regard. Please contact me with any questions regarding the foregoing.

Respectfully,
Sean C. Garrett, Esq.
